

SAGES 2025

Special Lecture in Long Beach

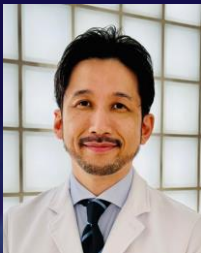

We are pleased to inform a special lecture and networking event that will be held on March 13 (Thursday) during the SAGES 2025 Annual Meeting in Long Beach, CA. This event is co-hosted by MC Medical, Karl Storz Endoscopy, and Medtronic, with the sponsorship of the Japan Society for Endoscopic Surgery (JSSES).

We encourage all surgeons attending SAGES 2025 to join us for this opportunity to exchange information and network with peers.

To register for this event, please fill out the necessary information on the attached application form and submit it. We look forward to your participation.
